

KNOW THE CHILD FORM

Dear Parents,

Before your child begins playschool, we would like you to share some important information about your child with his/her teacher/caregiver. This will assist in your child's learning and development, during their precious time at Gurusthanam Playschools. This is NOT a test; your child will not be judged on his/her ability. We believe in working in partnership with parents, to better care for their child during their learning journey.
