PLAYSCHOOL TRANSPORT REGULATIONS

Gurusthanam Playschool _____ **Transport Services.** We have air-conditioned transport to Locations in Bangaore..... To ensure your child reaches playschool and home in good time, please follow these regulations:

- No child under the age of 2.5 years will be accepted on the bus service.
- Should you decide to use the bus service, please be aware that each trip could take anywhere from 40 minutes to 1.5 hours.
- It is suggested that new children should start using the bus approximately 1 week after adjusting to the Playschool environment. Parents are requested to contact the office to confirm date and times.
- The first day your child uses the bus service, please bring your child to the Playschool in the morning and he/she will go home by bus in the afternoon.
- Your child should be ready on time at the pick-up point. The authorised person should handover your child to the bus assistant at the bus door. At drop-off time the authorised person should collect your child from the bus assistant at the bus door. If the authorised person is not waiting to collect your child at the drop-off point, your child will be brought back to the Playschool and an authorised person will have to collect your child from the Playschool.
- In case your child is not at the pick-up point at the appointed pick-up time, the bus assistant will phone before leaving. Please be on time so as not to disrupt the schedule for the remaining children. Should your child be consistently late, the Playschool Office will notify you and your child will be removed from the bus service.
- If your child is absent or ill, please inform the Playschool Office or the bus assistant latest by 7:00 am. The bus service will resume only after the Playschool has been informed that your child is ready to attend Playschool.
- The drivers make every attempt to stick to the timings; however, if there is a delay, it can be due to traffic congestion. Should the bus not reach the pick-up or drop-off point within 15 minutes of the agreed time, please contact the bus assistant or the Playschool Office.
- If the Playschool bus cannot access the lane to the residence, your child will be picked up outside the lane or from a common point where the bus can conveniently and safely stop.
- Should you send a different person to meet the bus please ensure that you inform the Playschool Office in writing of the person's details. Clearly indicate the person's full name, telephone & mobile number and attach a clear copy of the person's ID. Please ensure that the person brings the same identification at the time of pick-up.
- Should you decide to drop-off or pick-up your child from the Playschool, please contact the Playschool well in advance so that we can advise both the bus assistant and driver of the changes.
